CURRICULUM VITAE

LISA HANDWERKER

EDUCATION

Ph.D. University of California, San Francisco and Berkeley, Joint Medical Anthropology Program, December 1993

M.P.H. University of California, Berkeley, School of Public Health, Department of Social and Administrative Health Sciences (SAHS), 1983-1985

B.A. Oberlin College Ohio, Double Major: Women's Studies and Anthropology, 1978-1980
Emory University, Georgia, Liberal Arts, 1976-1978

DISSERTATION

The Hen that Can't Lay An Egg (Bu Xia Dan De Mu Ji): The Stigmatization of Female Infertility in Late Twentieth Century People's Republic of China

SELECT FELLOWSHIPS AND AWARDS

Infertility Around the Globe: New thinking on Childlessness, Gender, and New Reproductive Technologies edited by Marcia C. Inhorn and Frank van Balen, UC Press, 2002, was awarded the Most Notable Recent Edited Collection Book Prize in 2003 by the Council on Anthropology and Reproduction (CAR) of the Society for Medical Anthropology (SMA). My chapter contribution is: "The Politics of Baby-Making in Modern China: Reproductive Technologies and the "New" Eugenics."

Pragmatic Women and Body Politics edited by Margaret Lock and Patricia Kaufert, UK: Cambridge University Press, 1998 was awarded "Most Notable Recent Edited Collection Book Prize" by CAR of Society for Medical Anthropology in 2002. My chapter contribution is "The Consequences of Modernity for Childless Women in Contemporary China".

Conflict Mediation and Resolution Workshop, Conciliatory Forum of Oakland, 2002. 40 hour conflict mediator training and certificate.

California Institute of Integral Studies, Grant for Faculty Support for conference attendance, 1996.

University of California, San Francisco, Humanities Dissertation Write-up Fellowship; 1992-3

Lisa Handwerker

FELLOWSHIPS (continued)

Soroptomist International Award, Dissertation Write-up; 1991-2

University of California, San Francisco, Equipment Grants; 1991-3

Fulbright-Hays Doctoral Dissertation Award, "The Hen that Can't Lay An Egg (Bu Xia Dan De Mu Ji): The Social Significance of Infertility in Beijing, China"; January 1990-1

Committee on Scholarly Communication with the People's Republic of China (CSCPRC), Dissertation Fieldwork; 1990-1991

National Science Foundation Doctoral Dissertation Improvement Award (#BNS89-13347); 1990-1

Wenner-Gren Anthropological Association Dissertation Fund; 1990-91

Association for Women in Science, Predoctoral Award; 1990

Oberlin College Graduate Student Alumni Award; 1988-89

UCB Center for Chinese Studies, Conference Funds; 1988, 1992

UC San Francisco Regents Fellowship; 1987-88

Foreign Language Area Fellowship (FLAS), Advanced Chinese in Bejing, China; 1986.

TEACHING AND ACADEMIC EXPERIENCE

Lecturer, Cal State Hayward/CSU East Bay, Departments of Human Development and Women's Studies, Anthropology, Health Sciences, and Public Administration. Classes include: Medical Anthropology, Human Development and Interaction, Senior Group Process including Conflict Mediation and Resolution Training; Women In Cross-cultural Perspective, Modern China, Social Theory, Human Sexuality in Anthropological Perspective, Intro to Anthropology, Senior Research Seminar, Socio-cultural Anthropology, Multi-cultural Issues in Health, Applied Anthropology, Adult Human Development, Life Span, Socio-Cultural Development, Anthropology in the Modern World, Qualitative Research Methods, Child Development etc; 1999-ongoing.

Part-time Faculty, California College of Arts (CCA), Critical Studies Dept, Anthropology of the Body, Cross-Cultural Health Methods, Research and Theories Winter 2007-2009.

Cal State Hayward/CSU East Bay Extension. Program Evaluation, 2003-2004.

Visiting Scholar, UC Berkeley, Institute for Study of Social Change, January 1998-2004.

Bananas Childcare Center, Oakland. Child Development classes including school age Curriculum, theory, diversity and tolerance curricula development, and conflict mediation, 2004-6.

Adjunct Faculty, College of Alameda, Anthropology Department, Introduction to Socio-Cultural Anthropology, Fall 2001 and Fall 2002.

Adjunct Faculty, UC Santa Cruz, Community Studies Department, Introduction to Public Health, Spring 1999; Non-profit Management and Grant writing, Spring 2000; Theory and Practice of Culture and Health: Eastern and Western Perspectives, Winter 2001.

Adjunct Faculty, San Francisco State University, Anthropology Department, Designed and taught undergraduate and graduate classes: Cross-cultural Approaches to Gender and Sex, Urban Anthropology, Applied Anthropology and Endangered Cultures; 1998-9.

Affiliate Scholar, Stanford University, Institute of Research on Women and Gender;1996-8.

Associate Professor, California Institute of Integral Studies, San Francisco, CA. Core Faculty, Integral Health, Anthropology and Somatics Departments. Designed and taught graduate courses: qualitative research methods, grant writing, medical anthropology, women's health, contemporary health issues, and anthropology of the body. Served on school-wide human subject research committee and helped students set up community internships; Fall 1995-Fall 1997.

Post-Doctoral Research Fellow, University of California, Berkeley, Beatrice M. Bain Research Group Affiliated Scholars Program; Jan 1994 - August 1995.

Literacy Training Workshop, Berkeley Public Library. Taught literacy skills, 1996.

Adjunct Faculty, California Institute of Integral Studies, Department of Health Education: "Women, Health, and Healing" course; and Department of Anthropology: "Introduction to Medical Anthropology" course; Spring 1995.

Teaching Assistant, UC Berkeley and UCB Extension Program, Introduction to Socio-Cultural Anthropology, planned and taught two discussion sections weekly, helped in preparation of exams and assignments, graded students papers and exams and administered final class grade; 1987-1989.

Teacher, English as Second Language (ESL), Beijing Medical University, Beijing, China. Taught graduate medical students; June-August 1985.

Teacher, ESL, Jackson Mann Community School, Boston, MA. Designed, planned, and

taught Spanish speaking immigrants; November 1982 - June 1983.

FIELD RESEARCH AND CONSULTATION

Consultant, Oakland Unified School District, Model, train and support teachers in six preschools in Second Step Violence Prevention Curricula 2005-2007.

Consultant, Museum Project on Alternative Medicine for Cal State Hayward, Anthropology Department. Conducted interviews with and video taped Chinese Traditional Medicine Practitioners and Herbalists, November 2003.

Consultant, Social Research Application. Adolescent Pregnancy Prevention Network (APPN) case study. This is a collaborative four year project funded by the David and Lucile Packard Foundation. The goal is to develop a model program for use in other parts of the country. Tasks include: identify and interview key players, attend meetings, compile data and write up case study final report (65 pages) April 2001- March 2002.

Consultant, Oakland/Nakhodka Sister City Association, Russia. Conducting a health needs assessment in Nakhodka, Russia. Visited hospitals, clinics, orphanages, schools, and government health organizations. Co-authored final report (50 pages) March 10-23, 2002.

Consultant, Office of Family Planning, UCSF Family PACT, Sacramento. "Expert" consultant for Office of Family Planning, UCSF Family PACT. Met with senior staff in a one day session to develop strategies addressing hard-to-reach populations served by the Family PACT program. Proposed ideas on program improvement, outreach strategies, evaluation, and methodologies appropriate to the target populations, September 2001.

Consultant, Museum of Children's Art (MOCHA), Oakland. Responsibilities include researching, editing, and writing grant proposals, e-philanthropy, Sept 2000-April 2001.

Consultant, Health Trust, San Jose. Santa Clara County Children's Dental Initiative. Tasks include Grant writing and providing cultural sensitivity perspective; November 2000.

Consultant, "Exploratory Initiative on Human Germ line Alteration and Human Cloning", SF. Women's Health Project includes research, collecting and analyzing data, Organizational advocacy, developing recommendations, and writing a position paper from a women's health and bioethics perspective, July 2000-September 2000.

Consultant, including organizational development, grant writing, program planning, needs assessment, evaluation, qualitative research methods, fiscal sponsorship, group dynamics, donor solicitation, cross-cultural/diversity, and board development. For example, assisted Berkeley Neighborhood Computers, a non-profit organization that recycles computers and provides hardware and software to low-income families and youth in West Berkeley, in developing and writing 5 successful grants, 1983-present.

Consultant, Grant Writing Trainings. California Institute of Integral Studies, 1996-7; City of Berkeley, 1998; Alumnae Resources, San Francisco, CA, 1997-1999; Foundation for Russian American Economic Cooperation, 2002.

Consultant, Institute of Noetic Sciences. Co-organizer, co-leader, and translator for an educational travel program with a focus on health care and healing for 17 people to Hangzhou and Beijing, China. Incorporated cultural synergy project, March-April 1997.

Consultant, World Institute on Disability, Oakland, CA. Legislative and Policy Analyst for Project on "Successful Childrearing Strategies Among Disabled Persons and Families"; Developed questionnaire, September 1994-May 1995.

Field Research, interviews with single women from the United States adopting baby girls from China, Fall 1998-2000

Field Research, People's Republic of China. Conducted ethnographic research on infertility, reproductive technologies and sexuality in Beijing, China. Participated and observed in hospital settings of both traditional Chinese and western medicine; interviewed in Mandarin Chinese over 100 female and 15 male infertility patients, medical professionals, and family planning officials; implemented a 36 page questionnaire utilizing qualitative and quantitative methods; collected fertility folklore; Resulted in publications and presentations, January 1990- January 1991.

Field Research, Highland Hospital OB/GYN Clinic, Oakland, CA. Ethnographic research of perinatal health care delivery system for "high risk" mother and infants, including crack addicts; Interviewed health practitioners and staff including nurses, doctors genetic counselors, lab technicians, and health educators, February-June 1988.

Western Consortium for the Health Professions, San Francisco, CA. Designed a phone questionnaire, conducted interviews and wrote a 65 page report assessing U.S. human health resources directed towards Latin America. Project co-sponsored by Pan American Health Organization; Feb 1986-1987.

Consultant, International Child Resource Institute, Berkeley, CA. Located funding sources, established a grants resource library; Sept 1985-Feb 1986.

Field Research, Beijing, China. Interviewed medical personnel in hospitals, clinics, and day care centers to learn about China's health care system; Summer 1985.

Field Research and Exchange Student, School of Public Health, Policy and Planning Program, University of Guadalajara, Mexico. Studied the Mexican health care system, developed research, and interviewed Mexicans seasonally migrating to the United States to better understand their health care utilization patterns; Spring-Summer 1984.

Lisa Handwerker

Field Research, Center for Health Services, Vanderbilt University, Nashville, TN.

Interviewed community leaders in Tennessee and Kentucky and wrote fundraising manual; 1982.

Field Research, Community Health Council, London, England. Interviewed patients at clinics about their knowledge of health services. Designed questionnaire and researched food quality in three hospitals. Interviewed immigrant women about their childbirth experiences in London hospitals as compared to their native countries; Fall-Winter 1980-

Intern, National Women's Health Network, Washington, D.C. Assigned to "Rural Women's Health Advocacy Project". Attended government meetings and conferences as Network representative. Wrote articles for newsletter; Winter 1980.
